

GOLD STAR CAT CARE RECOMMENDATIONS

The best health care regime recommended for your cat in the Clermont region is:

Yearly: F4 and FIV vaccines (cat flu and cat AIDs virus etc)*

2 Monthly: Bravecto Topspot (ticks, fleas & intestinal worms)*

4 monthly: Tapewormer

Join our Gold Star Companion Care Club and receive \$200 worth of FREE services per year!

Follow our health care regime recommendations with services and products from our clinic and receive:

Every 4 months: FREE weigh in, health and dental check with a vet nurse, FREE administration of tapeworming tablet, and a FREE coat brush-out.

Every Year: A FREE basic urinalysis.

We remind you when to come in to take the stress out of remembering what your pet is due for and when!
