

GOLD STAR DOG CARE RECOMMENDATIONS

The best health care regime recommended for your dog in the Clermont region is:

Yearly: C5 Vaccination (parvo, kennel cough etc)* and Proheart Injection (Heartworm prevention)

3 Monthly: Bravecto chew (for ticks and fleas)* and Intestinal Wormer.

Join our Gold Star Companion Care Club and receive \$400 worth of FREE services per year!

Follow our dog health care regime recommendations with services and products from our clinic and receive:

Every 3 months: FREE weigh in, health and dental check with a vet nurse, FREE administration of worming tablet, FREE anal gland check, FREE hydrobath and FREE nail trim.

Every Year: A FREE basic urinalysis.

We remind you when to come in to take the stress out of remembering what your pet is due for and when!
